This development is an exclusive residential of single-family homes located in El Higuierón, one of the areas with the largest projection of the Costa del Sol, designed to offer a sustainable, modern and connected to nature way of life.

The project combines contemporary architecture, energy efficiency and well-being in a careful and private environment.

The development is composed of 40 homes designed under an innovative industrialized construction system, which allows to offer higher standards of quality, speed in execution and superior energy efficiency.

Each home has been designed to maximize natural light, thermal and acoustic comfort, integrating solar technology, intelligent systems and sustainable materials that reduce energy consumption and environmental impact.
