The layout includes two bedrooms and two bathrooms, making the apartment suitable as a permanent residence, holiday home or rental investment. With its south-west orientation, the outdoor areas enjoy pleasant afternoon sunshine throughout much of the year.

Completed only recently, the property has never been lived in and is ready for immediate occupancy. It also includes a private underground parking space, adding convenience in this highly desirable central location.

Residents of Isidora Living benefit from a carefully designed selection of communal facilities, including an outdoor swimming pool, fully equipped gym, coworking space, barbecue area and children's playground, offering a comfortable lifestyle in a modern residential community.

With very limited availability of newly built homes in the centre of Estepona, this apartment represents an excellent opportunity for buyers seeking a contemporary property close to the beach and all the attractions of one of the Costa del Sol's most sought-after destinations.
