Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

An impressive portfolio of real estate in Marbella

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

New developments

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5* onsite facilities and amenities.

Contemporary properties

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

Featured properties

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

Price reduction properties

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

Properties for sale in Marbella and beyond

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

Testimonials

I just want to thank you both for having Emma look after me throughout the whole process of purchasing my new property at Lars Bay. Your company did a great job in getting me a buyer for my previous apartment which I had bought from you at Benalmadena Hill Views and then when I wanted to purchase me new apartment, you selected Emma as my new contact person to help me in my search. That decision worked out great for me, because you could not have selected a better person to look after me. I can honestly say that if it was not for Emma, I probably would not have purchased my new Lar Bay apartment from your company. From the very start of my search, when I began looking for the apartment, Emma was fantastic. She picked me up at the airport, got me to my hotel and genuinely listened to all the different criteria I wanted in my new place. There was no hard sell or pushing me to look at apartments which clearly did not

with the Developer on the progress of construction. I do not think there are many agents who would go out of their way to do any of this. From my perspective, I have a very successful construction / steel business in California, USA., with over 50 employees, and I truly believe that much of my success is without doubt due to the quality, loyalty, and integrity of my employees. I do not really know anything about your other employees but if they are all like Emma, your company will most definitely be very successful now and in the future. Emma is the best agent your company could possibly have. Thank you,

Emma - Brian

Emma spent two days with us early Aug '20 viewing properties in the Fuengirola to Marbella region. Having listened to our likes and dislikes from the first few viewings Emma quickly gained an understanding of which properties could be suitable candidates to satisfy our requirements. Having an extensive knowledge of properties on the market and not being tied to a particular agent, meant that the viewing schedule became very flexible and relevant. This was particularly important because we were also on vacation and didn't want to waste our time looking at ill suited properties. On the second viewing day, the property viewings became much more relevant and we identified the property which ticked our boxes. Emma quickly understood the offer to propose and how to secure the deal with a deposit agreement. Toward the end of Oct '20 we completed on the property purchase and Emma was present at the signing in the notary office. This is where Emma came into her own. Nothing was too much trouble and the after care service delivered was unrivalled in my 40 years of business experience. From driving us to the property after completion, to loaning us crockery and bedding and buying some food and drink basics, so we could stay the night in the property that very same night, we really couldn't have been better looked after. It can be very daunting investing in a property abroad, needing the right property advisor is crucial, but not only did Emma excel in this matter by listening to our requirements and having an extensive knowledge and experience of the local property market, making the experience tailored and relevant, the genuine care and personal attention after the purchase, was a special experience and one I can say I haven't experienced in many years of business and property dealings. I would without hesitation recommend Emma in not only finding your dream home in Spain but also in making the settling in experience so much more pleasurable.

We had the pleasure of working with Anke Parijs for our search for an apartment in or around Estepona. Due to the many choices on agency's she was not first on my list but still she was very helpful in providing all the information I needed. She is very knowledgeable of the place, the possibilities, and what is happening. While she is Dutch speaking which helps to get into some of the details, she also is very good in Spanish which allows her to really get all the information you need from the Spanish real estate world.

I have just spent the last 2 weeks working closely with Melissa from Bromley Estates Marbella. I wanted to take a moment to leave a review and share my phenomenal experience. Melissa spent hours with me making sure I understood all the options available and making sure I felt confident and comfortable. Her guidance and knowledge of the areas in and around Marbella was amazing. Even working with her remotely, I felt like I was there, seeing it with my own eyes! Buying real estate is a big deal and you need an expert to guide you - for us, there could be no better partner than Melissa. As a result we purchased two

properties. One for my wife and one for my Mum. I also want to give big shout out to Patti from Bromley who was a wonderful first point of contact in the whole process. Patti was so diligent and thoughtful as she listened to all our preferences and requests! A wonderful and rewarding experience - thanks to Melissa and Patti!! Can't recommend enough!

Simply, the nicest experience since we arrived to Costa del Sol! We came from Canada and had most of our belongings shipped after we left the country. After weeks of search with our first agent we started losing confidence. Taryn, our second agent was very patient, super helpful, understanding and she did not give up on us even though we were out with her every day, for weeks. After we found our home, she helped us to get the right price and a quick move in date, since our shipping container was ready for delivery. She also helped us with recommending local services, utilities etc. Her list was endless.... We needed help with everything. In the process we became friends and we can't thank her enough for all that she did for us. Thank you again Taryn??

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
